--------------------	--	---	--	--

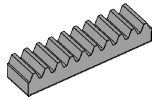

The diagram shows a 3D perspective view of the assembled Sunlight Carrier. It consists of several gray Technic beams of varying lengths (1x10, 1x12, 1x14, and 1x16) and two 1x2 blue Technic bricks with holes. Two dark gray axles are inserted through the blue bricks, which are secured with yellow bushings. The assembly is designed to hold a solar panel in place.
