 <p>The diagram shows the assembly of the Arch Carrier. It consists of a long grey Technic beam (1x12) with a blue Liftarm 1x4x6 attached to its top surface. Two black Pin Slots are inserted into the top holes of the blue liftarm, one at the second hole from the end and one at the fourth hole. The grey beam has a small black pin inserted into its bottom hole at the first position from the end.</p>
